

Prayer for canonization of blessed Zdenka

Our Father, you presented blessed Zdenka with light and power of the Holy Spirit and gave her grace to live a true Christian and religious life up to martyrdom following the example of Jesus Christ. Please give us the grace... which we ask from you through her intercession, in hope that Church will soon add her to your saints. Give as well that she would become an ideal of a convincing Christian life and a great esteem towards the Sacrament of Ordination for people of our times. Through Christ, our Lord. Amen.

With ecclesial approval of Archbishop's Office in Trnava, 28th May 2014, no. 3804/14.
